

Anas Memon

Frontend Developer

Hyderabad, Sindh, Pakistan | 0318-3044022 | anasmemon4personal@gmail.com | [Portfolio](#)

Summary

Passionate and self-driven Frontend Developer currently pursuing a Bachelor's degree in Information Technology at the University of Sindh (expected graduation: 2027). Proficient in HTML, CSS, JavaScript, and React.js with a strong enthusiasm for building modern, responsive, and visually appealing web applications. Continuously working on sharpening skills through personal projects and hands-on practice. Open to internships and part-time opportunities.

Experience

Freelance Frontend Developer 2023 – Present

Self-Employed

- Developed and delivered small-scale web projects for local clients and personal use.
 - Gathered requirements, designed layouts, and implemented fully functional web pages.
 - Continuously improved code quality through self-review and online learning.
-

Education

B.S. Information Technology 2023 – 2027

University of Sindh, Jamshoro

- Studying core IT subjects: Web Technologies, Data Structures, OOP, Database Systems, and Computer Networking.
