

Anas Memon

FRONTEND DEVELOPER · ASPIRING MERN STACK DEVELOPER

📍 Hyderabad, Sindh, Pakistan 📞 0318-3044022 ✉ anasmemon4personal@gmail.com 🌐 Portfolio 📁 GitHub

PROFESSIONAL SUMMARY

Passionate and self-driven Frontend Developer pursuing a B.S. in Information Technology at the University of Sindh (expected 2027). Proficient in HTML5, CSS3, JavaScript (ES6+), and React.js with hands-on experience delivering responsive, modern web applications for real clients through freelance work. Currently expanding into backend development with Node.js and Express.js, on a focused path toward becoming a full-stack MERN developer. Actively seeking internship or part-time opportunities to contribute within a professional team.

EXPERIENCE

Freelance Frontend Developer

2023 – Present

Self-Employed · Hyderabad, Pakistan

- ▶ Designed, developed, and delivered responsive websites for local clients — managing the full project lifecycle from requirements gathering to deployment.
- ▶ Built 6+ projects using HTML5, CSS3, JavaScript, Bootstrap 5, and React.js with a focus on clean code and maintainability.
- ▶ Handled client communication, scope management, and on-time delivery independently.
- ▶ Continuously improved skills through self-review, refactoring, and active participation in developer communities.

EDUCATION

B.S. Information Technology

2023 – 2027 (Expected)

University of Sindh, Jamshoro

- ▶ Relevant coursework: Web Technologies, Data Structures & Algorithms, Object-Oriented Programming, Database Systems, Computer Networking.
- ▶ Applying frontend development skills in academic projects and independent work beyond the curriculum.

TECHNICAL SKILLS

HTML5 & Semantic Markup

CSS3 & Animations

JavaScript (ES6+)

React.js (Hooks, Components)

Responsive & Mobile-First Design

PROJECTS

Personal Portfolio Website

[↗ Live Demo](#)[React.js](#)[CSS3](#)

Fully responsive portfolio site built with React.js functional components and hooks. Clean, modern UI with smooth navigation and well-structured component architecture.

WeatherWave

[↗ Live Demo](#)[React.js](#)[OpenWeather API](#)

Real-time weather app with current conditions and 5-day forecast. Features dynamic backgrounds adapting to weather and time of day, dark/light mode toggle, and city search.

DarkReads – Book Discovery

[↗ Live Demo](#)[HTML5](#)[CSS3](#)[Bootstrap 5](#)[JavaScript](#)

Multi-page book platform covering Horror, Sci-Fi, Thriller, Historical, and Literary Fiction. Includes Bestsellers, Author Spotlights, and Literary Analysis with an immersive design.

BulletinHub – IT Services

[↗ Live Demo](#)[HTML5](#)[CSS3](#)[Bootstrap 5](#)[JavaScript](#)

Professional multi-page business site with Services, About, Careers, and Contact sections. Consistent branding and fully responsive layout across all pages.

La Maison – Fine Dining

[↗ Live Demo](#)[HTML5](#)[CSS3](#)[Bootstrap 5](#)[JavaScript](#)

Elegant multi-page French restaurant site with Menu, Specials, Events, and Contact pages. Styled with Playfair Display typography and a sophisticated, high-end design aesthetic.

Travel Itinerary – Travel Agency

[↗ Live Demo](#)[HTML5](#)[CSS3](#)[Bootstrap 5](#)[JavaScript](#)

Multi-page travel agency site featuring Destinations, Bookings, Day-by-Day Activity, and Contact pages. Clean, modern layout using Poppins typography for an intuitive UX.

CERTIFICATIONS & LEARNING

- ◆ Self-directed Frontend Web Development path covering HTML, CSS, JavaScript, and React.js through project-based learning and structured tutorials.
- ◆ Currently learning Node.js, Express.js, and MongoDB — actively building toward full-stack MERN development through hands-on projects and structured backend courses.
- ◆ Active in online developer communities and forums, staying current with frontend trends and best practices.
